

# How To Create a Listing Website

## 2 Order a website

Once you have established an account with Websites4YourListings, click on "Order a New Listing Website". Follow the simple instructions at the top of each page. Here you will be asked to do the following:

- ▶ Choose a Look
- ▶ Enter a Domain Name
- ▶ Enter your payment information
- ▶ Finalise Order

### Listing Web Sites

- ▶ Order a New Listing Web Site
- ▶ Edit an Existing Web Site
- ▶ Edit Web Site Default Settings

## Edit your website

You can edit your website any time from any computer with internet access. From the website editor page, you can choose to:

- ▶ Add Property Details
- ▶ Choose your Website Design
- ▶ Upload Photos
- ▶ Add/Remove Links
- ▶ Upload Property Reports
- ▶ Change your Color Scheme
- ▶ And Much More!
