

How-To Upload a Photo

1 Login to your account at www.Websites4YourListings.com. Click on Edit an existing website. Choose the website you wish to edit by clicking on the web address. From the website editor control panel, click on Upload Photos.

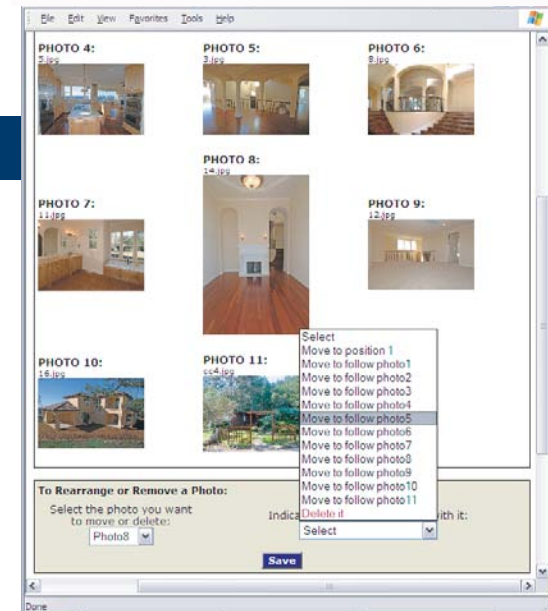

2 Click on the BROWSE button to search for your 1st photo on your hard drive or floppy. Once you find your photo, click open. Then click Save. This will upload your photo to your website. Repeat this procedure until all your photos have been uploaded.

How-To rearrange your photos

3 Now you can easily rearrange the photos on your website. Simply Choose the photo you wish to move from the dropdown menu and then select where you would like to move the photo to. Make sure to click save.
